

## Ripple Kids Project #3 - Host a Lemonade Stand

Do you love having lemonade stands? We do, too. For this project, you will host a lemonade stand to raise awareness (and dollars!) for Project Hope Alliance. Your contributions will help us to end homelessness through education and housing.

How to Help

1. Grab a group of friends and set up a lemonade stand in your neighborhood. Ask your mom or another adult to help.
2. Go to 'Summer Serve' on our website to download labels for the cups, a sign for the stand, and to print info sheets for customers.
3. Put the labels you printed on the cups, print the info sheets, and prepare a sign for the stand.
4. Host your lemonade stand with your friends and have fun! Tell customers why they care about Project Hope Alliance and why they want to support homeless families in OC. Feel free to give away the info sheets you printed.

Well done! Have your mom email [adriana@projecthopealliance.org](mailto:adriana@projecthopealliance.org) or give Adriana a call at (949) 791-2716 to set up a time to drop off the money you raised. You can also mail a check if that's easier! Our address is:

Project Hope Alliance  
Attn: Adriana  
1954 Placentia Ave #202  
Costa Mesa, CA 92627

TIP:

- We've found that you'll raise more money by asking for any size donation rather than pricing your lemonade per cup!
- Get creative! If you have a great idea for your stand, go for it!
